Direct Debit Request Service Agreement

Please ensure that you have read the following before sending in the direct debit request.

- We may vary this agreement at any time by giving you at least 14 days notice.
- By signing a Direct Debit Request, you request and authorise us to arrange for funds to be debited from your account according to the agreement we have with you.

We will only arrange for funds to be debited from your account:

- a) As requested and authorised in the Direct Debit Request; and/or
- b) According to any notice sent to you specifying the amount payable and the date the donation is due.

The donation will be deducted from your nominated account on the payment due date on the 15th of each month. If the due date for donation falls on a non-working day or a public holiday, the donation will be processed on the next working day.

- It is your responsibility to ensure that you have sufficient funds in the nominated account when donations are due to be drawn. If you do not have sufficient funds, the transaction will be rejected and a dishonour fee may be charged to your account. We are obliged to treat the donation as if it was never made. Please contact us to rearrange payment.

You should be aware that:

- a) Direct Debiting through Bulk Electronic Clearing System is not available on all accounts;
- b) Account details should be checked against a recent statement from your financial institution. If you are in any doubt, you should check with your ledger financial institution before completing the Direct Debit Request; and
- c) It is your responsibility to advise us if your nominated account is altered, transferred or closed, including a change of expiry date for Credit Card accounts.

- If you believe there has been an error in debiting your account you should contact us on 1800 22 00 99 between 9.00am and 5.00pm AEST Monday to Friday as soon as possible so that we can resolve your query quickly for you.
- Your records and account details will be kept private and confidential and will only be disclosed at your request or at the request of the financial institution in connection with a claim made to an alleged incorrect or wrongful debit, or otherwise required by law.
- For all matters relating to the Direct debit arrangement on your account, including requests for deferment of debits, alteration of debit arrangements or stopping or cancelling your Direct Debit Request, please call us on 1800 22 00 99 between 9.00am and 5.00pm AEST Monday to Friday.
